✓ From footer there is contact page The

The screenshot shows a web browser window with the URL `localhost:3000/contact`. The page has a vibrant gradient background transitioning from teal on the left to orange on the right. At the top, the heading "Get In Touch With Us" is displayed in white. Below it, a subtext reads: "We are here to assist you. Whether it is a question or feedback, feel free to reach out!". A white contact form is centered on the page, containing three input fields: "Name", "Email", and "Message". The "Message" field is a larger text area. At the bottom of the form is a "Submit" button with a gradient background matching the page's theme. The browser's taskbar at the bottom shows various application icons and the system clock indicating 1:52 AM on 2/1/2025.

✓ The Detail of all messages stored at "FormSpree"

The screenshot displays the FormSpree web application interface in a browser window. The URL is `formspree.io/forms/mnrjipjb/submissions`. The header includes the FormSpree logo, the user name "Atiqa Sheikh", and navigation links for "Forms", "Account", and a notification bell. On the left sidebar, there is a "+ Add New" button and a section titled "MY FIRST PROJECT" containing a link to "A New Form". The main content area features a table with submission details. The table has columns for checkboxes, dates, subjects, and email addresses. Two submissions are visible: one from Feb 1, 00:43, and another from Jan 27, 17:25. A detailed view of the Feb 1 submission is shown on the right, displaying fields for subject, email, message, name, and subject again. The message content is "Really awesome website!". At the bottom right of the interface, there is a red circular chat bubble icon. The browser's taskbar at the bottom shows the system clock as 5:08 PM on 2/1/2025.
